

Uniform Policy

Uniform is an important aspect of this school in that it assists in the development of a sense of unity and purpose in the development and maintenance of such qualities as self-respect, school pride and discipline.

In our school it has a special significance in that it 'identifies' us as a 'special family of God' whose role is to be 'lights' in the community. For this reason it is important that our children wear the uniform with pride.

It is therefore expected that all parents who enrol their children at this school comply with the uniform requirement as specified.

The school hat is an integral part of the school uniform. A “No hat, No play” policy exists at the school and children without the school hat will be unable to play. A two day period is allowed in the event of a lost hat to enable the purchase of a new one. However, the child is required to wear an alternative hat providing they have a note of explanation from their parents. Baseball and other hats are not to be worn to or from school.

We strongly recommend children wear the school hat when riding or walking to and from school.

Please ensure all uniform items are clearly labelled.
