Welcome back to Term 4, I trust that everyone had a safe and fun holiday break. Many of our school community members have been competing in the "Masters". Some have injuries as a memory of their effort, some have medals for their effort. Well done to all who have competed and to those who have been involved in supporting the Masters Games 2018.

Today TS presented worship and they did a wonderful job. To see the little Transition students speaking before a large group of people is truly amazing. Well done!

From the Spiritual Coordinator

Deuteronomy 31:8 said: The Lord himself goes before you and will be with you. He will never leave you nor forsake you. Do not be afraid. Do not be discouraged.

For our opening service this term I spoke to the students about being bold and brave in their everyday lives. As a school we aim to inspire them to be encouragers to all those who they come into contact with - in their classrooms and the school community. Last term we looked at Endeavour, what that entails and how big a role encouragement, resilience and a positive mindset play in that. Despite knowing, that there are still days where we all can feel quite flat and very much discouraged. Just ask any of the staff or fellow parents who are in the Masters Games at the moment! Our students will be learning about 'Courage' as they prepare for their swimming lessons and carnival, look towards the start of their high school journey or as they adjust themselves to life in a new school in a remote community. Throughout the seasons of life and adjustment we can be sure that the Lord our God is with us always and what a great comfort and reassurance that is.

God bless
Miss Dell'Antonio

This term we will be supporting the Alice Springs Lutheran Community Care's Christmas Hampers as we have done for the last 4 years. A note of what you can donate will be in the newsletter from next week onwards.

Footy Colours Day was held on the last day of Term 3. As a result of this day the school raised **\$294.60** for the Kid's Cancer Foundation. Thank you to everyone who participated and brought in a donation.

The SRC will be organising a Disco to be held on Friday, 9th November.

Junior School: 5.30pm - 6.45pm

Senior School: 7.00pm - 8.15pm

A note will be coming home next week with more details about the event.

CLOTHES SWAP

Date: Saturday, October 20th

Time: 3pm to 5pm

Where: Alice Springs Baptist Church - corner of Brown and Crispe Street

What's it about: Bring along clothes you no longer wear and swap these on the day!

We will be having afternoon tea and hearing from John Lewis of Baptist World Aid, as he explains some of the steps that have been taken in the clothing industry to ensure that God's love and justice are shown to the workers, as well as the steps being taken by Christians to shape new legislation in Canberra that would make it illegal for clothing companies to use slavery in their clothing production. After hearing from John and seeing ways that we can be involved, it's time to swap clothes!

The Hundred Languages of Children Exhibition

On display for the first time in Alice Springs, The Hundred Languages of Children Exhibition tells a story of an educational adventure, reflecting the experiences, thoughts, theoretical research, and the ethical and social ideals of many generations of children, teachers and parents from Reggio Emilia, Italy. Displaying the Exhibition in the Northern Territory has been a long standing goal for REAIE, made possible from the Frank Leydon Tot-Ed Foundation Trust.

**Alice Springs Convention Centre
93 Barrett Drive.**

11 - 31 October, 2018

(See Exhibition dates and times below)

This internationally acclaimed Exhibition captures the documentation of children's competencies and intellectual pursuits within language, culture and community. The Exhibition invites participants to consider a strengths based paradigm in which to 'hear' children's voices and to reflect on their personal and organisational responses. The Exhibition can inspire, inform and transform education possibilities for teaching and learning with children and their educators, in collaboration with families and the wider community.
