From the Acting Principal's Desk

Last week was a wonderful example of community spirit - on and off the sports field. Thank you to all involved in the smooth running of the day and for the many hands that helped in so many different ways.

This morning 4A presented Whole School Worship and it was most refreshing to see the different ways that the students engage in sharing the Gospel. Most of this term we will be have classes leading worship so please come and join us at 8.30am.

The students are continuing to remind each other about Trash Free Tuesdays and Thursdays and we thank you for your efforts in this.

Today was the first offering of love and serving others in our national community. This term it is going towards Drought Angels and this will be our focus for all activities this term.

I would like to take this opportunity to wish our Year 6's the best of luck as they participate in Write-A-Book-In-A-Day on Monday.

Wishing you all a wonderfully sunny weekend.

Psalm 133

¹ How *good and pleasant* it is when God's people *live together in peace!*

² It's like the special olive oil that was poured on Aaron's head. It ran down on his beard and on the collar of his robe.

³ It's as if the dew of Mount Hermon were falling on Mount Zion.

There the *LORD gives his blessing*. He gives life that never ends.

This week's psalm is Psalm 133 and it very apt for events that have happened around our town, the nation and globally. Peace generally means that people are united. It means that despite that unity they accept each other's diversity and different beliefs and treat each other with integrity. The testing of unity is not whether or not you can find someone that does what you want them to do. The test is how do you hang in there with those that God has called you to be a part of; and LOVE them even when you don't LIKE them!

And in all everyday dealings with families, colleagues and friends, let's aim for a spirit of unity and love.. a patient, kind, gracious love, that comes from the ultimate peacemaker Himself - Jesus.

*Have a blessed week,
Miss Dell 'Antonio*

"This is my story, this is my song, Praising my Saviour all the day long." Hymn - Blessed Assurance
When we experience life pain and our hearts hurt, it is not uncommon to feel as though our lives are unravelling. Beth is no stranger to life pain and that feeling of unravelling; she draws strength and love from the Trinity and from those around her. Meet Beth Bochtler who strives to live her vocation as a Christian, a wife, a mother, a daughter, a friend, a professional, a supervisor, an employee, a veteran, and an example for others. Beth enjoys the work of the Holy Spirit in spiritual music, and she invites you to listen as she weaves some of her favourite Lutheran hymns into the tapestry of her heart's story. Beth originally is from Vermont in the United States and has been in Alice Springs since November 2017. She and Ed have been married for 27 years, and they have seven children (one of whom walks with Jesus). She holds a Master's of Science degree in Strategic Studies and a Bachelors of Arts degree in History.

Dear Families,

This term we are implementing a new character education and social-emotional learning program for students in Transition to Year 2. The program uses *Kimochis* – toys with feelings inside and is based on research that tells us that a strong social-emotional learning foundation is essential to academic and life success. The lessons in the Kimochi program teach real life skills such as communication, self-management, decision-making, problem-solving, resilience and responsibility. By dedicating a short time each week to these lessons, we are supporting our Living Waters students in learning to communicate their feelings effectively, build confidence, self-esteem and develop strong relationships.

Kimochi sessions will occur once a week for 30 minutes in each lower primary class, facilitated by myself and supported by the classroom teacher.

This week was our first lesson and we explored the act of being **friendly**! **Students practiced friendly signals and looked at how kind and friendly acts are contagious.** You will be able to read about our weekly Kimochi theme in the newsletter this term.

Mary Garkut
