From the Spiritual Coordinator

The students are loving the song 'This little light of mine' at the moment for Choir and Worship and are shouting it from the rooftops. Here is a great reminder from parts of Psalm 27 of God being our constant light in the darkness and the stillness.

A David Psalm – The Message

Light, space, zest — that's GOD!
So, with him on my side I'm fearless, afraid of no one and nothing.
When vandal hordes ride down ready to eat me alive,
Those bullies and toughs fall flat on their faces.
I'm asking GOD for one thing, only one thing:
To live with him in his house my whole life long.
I'll contemplate his beauty; I'll study at his feet.
That's the only quiet, secure place in a noisy world,
The perfect getaway, far from the buzz of traffic.

God holds me head and shoulders above all who try to pull me down.
I'm headed for his place to offer anthems that will raise the roof!
Already I'm singing God-songs; I'm making music to GOD

God bless
Miss Dell'Antonio

Swimming Carnival

What a fantastic day! The weather was so kind, allowing us to get through our program without a delay. The day ran smoothly with an increased amount of races and ideally more time in the water for our students. The highlight of the day was seeing so many students active in the pool and working together during our tabloid events. A huge thank you to the House Captains for their great organisation leading up to the carnival and then their fantastic leadership on the day! Congratulations to Albrecht, who took out first place with Larapinta coming in second. Although coming third, Flynn won two out of the three relays and had a successful day.

The true winners on the day were the students who participated with so much enthusiasm and team spirit. For those students that got out of their comfort zone, I commend you!

Thank you to the parent volunteers who helped marshal and time events and for those parents and friends who went to support their children, it was great to see so many of you there.

If you have any constructive feedback regarding the carnival, in our endeavour to improve, we would love to hear from you.

2018 Student Residential Address and Other Information collection notice

This notice is from the Australian Government Department of Education and Training (the **department**), to advise you that the department has requested that your child's school provide a *statement of addresses*, in accordance with the *Australian Education Regulation 2013* (Cth) (the **Regulation**).

A *statement of addresses* contains the following information about each student at the school:

- Student residential address (**not student names**)
- Student level of education (i.e. whether the student is a primary or secondary student)
- Student boarding school status (i.e. whether the student is boarding or a day student)
- Names and residential addresses of the student's parent(s) and/or guardian(s)

Schools generate a record number for each student for the purposes of this collection, which is also provided to the department.

Purpose of the collection

This collection is routinely used to inform Commonwealth school education policy, and to help ensure that Commonwealth funding arrangements for non-government schools are based on need, and are fair and transparent.

The National School Resourcing Board recently completed a review of the socio-economic status (**SES**) score methodology used in the calculation of the Commonwealth's needs-based funding arrangements for non-government schools. The information collected in the *statement of addresses* will be used to progress the Board's recommendations, which have been accepted by the Government. Further information on this review and the Government's response can be found here: <https://www.education.gov.au/review-socio-economic-status-ses-score-methodology>.

Use and disclosure of personal information

Your personal information is protected by law, including the *Privacy Act 1988* (Cth). Any use and disclosure of your personal information relating to the *statement of addresses* will occur in accordance with the Regulation.

Your personal information may be used by the department, or disclosed to the Australian Bureau of Statistics (the **ABS**), for the purposes of SES score policy development, reviewing SES score methodology, calculating SES scores, Commonwealth school education policy development (including school funding), or where it is otherwise required or authorised by law.

For example, your personal information may be provided to the ABS for statistical and research purposes, which includes data integration projects such as the Multi-Agency Data Integration Project (MADIP). Further information on the MADIP can be found here: <http://www.abs.gov.au/websitedbs/D3310114.nsf/home/Statistical+Data+Integration+-+MADIP>.

The department may, from time to time, carry out audits of school submissions. In the event of an audit, contracted auditors may seek to compare a school's *statement of addresses* with student enrolment information held by the school. These contractors will not use the information for any other purpose.

The department may also be required to disclose your personal information to contracted providers for the purposes of the provision of ICT support services to the department.

The department does not intend to disclose personal information to overseas recipients.

What do you need to do?

You are not required to do anything. Your school is responsible for providing the requested details to the department, however, please ensure that your school has the most up-to-date and correct details for your family.

Contacts for further information

Your school can provide additional information about the process for the *statement of addresses* collection. If you have any further questions regarding the collection, you can contact the department by:

- Email: seshelpdesk@education.gov.au
- Phone (free call): SES helpdesk on 1800 677 027 (Option 4)

The department's privacy policy is available on the department's website at www.education.gov.au. The privacy policy contains information about:

- how individuals can access and seek correction of the personal information held by the department;
- how complaints about breaches of the *Privacy Act 1988* (Cth) can be made; and
- how the department will deal with these complaints.

If you wish to contact the department about privacy-related matters, please email the department at EducationPrivacy@education.gov.au or write to:
