## From the Principal's Desk

It is good to be back at school after a short break. Many students have been asking me where I have been and how come I have been away for such a long time. Well, becoming a grandmother for the first time left me no option but to visit my daughter and granddaughter. It was wonderful to be with them and the family to share the very early weeks of this beautiful gift. Anna was born 31st July and is bringing much joy to her parents. Thank you for the good wishes.

Today we said farewell to Anushka however he will be back to assist with the Musical performances next week. We wish him God's blessings as he relocates to South Australia.

### **Canteen Manager:**

I am pleased to be able to announce that Kathy Dehne, one of our parents has accepted the offer to manage the Canteen as of the start of Term 4. We thank Alicia Clarke for her dedication whilst in the role of Canteen Manager over the last year.

Our thoughts and prayers go out to Sandy and the children as they mourn the loss of their husband and father, Bruce Weir. Both Bruce and Sandy have had a long association with Living Waters.

## From the Spiritual Coordinator

Yesterday was R U OK Day across Australia. The staff and students joined many Australians young and old from all walks of life who checked in with their family and friends to see how they are. In the busyness of our everyday lives we sometimes lose track of this simple 4 step process of ask, listen, encourage action and check in.

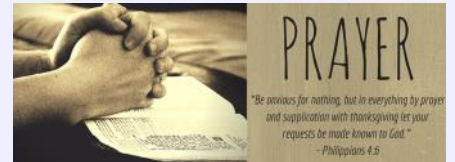

Lutheran Education Australia has a document called Growing Deep. A really big part of Lutheran schools is building a positive learning community. One of the capabilities is being able to maintain a positive outlook or perspective, even in the face of obstacles or setbacks. It draws strength from the promises of God and includes being optimistic about the future, and consciously choosing to project warmth, faith and hope in relationships with others. It involves valuing the gifts and contributions of all and creating a sense of optimism by building a positive and energetic climate of encouragement and support, even during times of difficulty or change. Let's endeavour to be that positive person for someone this weekend and the next.

God bless  
Miss Dell'Antonio

Kimberley Lightfoot (5M) recently travelled to Darwin to compete in the Northern Territory Athletics Championships.

Kimberley got a medal in every event she went in:

- \* Gold for 1500m - with a personal best time
- \* Gold for 800m - she beat the competition with a huge gap and got an excellent personal best time
- \* Silver for high jump
- \* Silver for 400 m - this one was a photo finish and she only narrowly missed out on gold but got a personal best time
- \* Bronze for Long jump, with a personal best distance
- \* Bronze for the team 4x100m relay

All the athletes put in a huge effort. The team morale was fantastic as they all cheered on their fellow team mates on. It was a great experience and well worth the trip. Kimberley is looking forward to next year already.

**WOW!**

On Wednesday at Assembly Living Waters was fortunate enough to receive a donation from the APEX Club of Central Australia. This generous donation of \$500 will be used to continue to enhance the Sensory Garden and other garden areas around the school.

Thank you!
