Happy Harmony Week everyone!

In the light of the events in New Zealand especially it was lovely to see all of our different cultures unite and celebrate each other's diversity, showing love and respect to all.

Congratulations to Martha Livingstone who won an award for 'Encouragement' at Saturday's Wearable Arts Awards show in the Todd Mall. There were some outstanding fashion clothing efforts made from different types of recycled goods.

The Year 1's had Rex from the Reptile Centre visit and they then visited Desert Park on Thursday and haven't been able to stop talking about either!

Our Year 6 students will be heading to Hamilton Downs next Wednesday for their leadership camp and we wish them all the best as they explore their leadership qualities and work together as a team.

Well done to 4M for their entertaining presentation in Chapel this morning. A timely reminder about looking after the environment we have been blessed with.

We do have rain forecast in Alice Springs due to the two cyclones in the Top End. The weekend will be a good time for you to make sure your gutters are clear and all loose things are safely packed away. The students had Paddy the Platypus in recently to talk about be storm aware.

Wishing you a wonderful weekend,
Miss Dell'Antonio

From the Spiritual Coordinator

God is unchangeable -- so also is his love for us. No matter how far we have wandered from him -- no matter how deep our sin might be -- Jesus loves us. He will never leave us nor forsake us. He continues to love you and me - even when we're not very lovable.

Jesus doesn't want us to go it alone. Our strength comes from him, from his protective cover. We are just a brood of helpless hatchlings, baby birds hidden under our Saviour's protective wing. He calls us again and again to duck under his wing, to find shelter and safety under his outstretched arms.

Let us join the psalmists who sums everything up like this,
He will keep you safe from all hidden dangers ... He will cover you with his wings, you will be safe in his care; his faithfulness will protect and defend you. (Ps 91) We find protection under the shadow of your wings. (Ps 36)

God bless

Easter Bonnet Parade

On **Tuesday April 9th**, Week 11, we will be having an Easter Bonnet Parade. We would like to see Easter Bonnets made from recycled materials. Celebrate Your Community and Host a Neighbour Day Event

Neighbour Day is Australia's annual celebration of community, bringing together the people next door or across the street for a get together.

It is the perfect day to say thanks for being a great neighbour and being there when needed.

The Neighbour Day movement promotes the benefits of getting to know your neighbours building healthy, resilient communities as well as tolerance, respect and understanding.

Neighbour Day encourages all Australians to do what they can to reach out to people in their neighbourhoods, particularly those who may live alone.

Relationships Australia is encouraging all people and groups across Central Australia to promote the message of being a good neighbour – and to consider what they might be able to do to connect with those around them.

5 Ideas to Celebrate Your Community

1. Have a cup of tea or a chat with a new (or old!) neighbour
2. Leave a Neighbour Day calling card and your contact details for elderly or vulnerable neighbours
3. Enjoy a neighbourhood picnic in your favourite park
4. Plan a 'bring a plate' street party
5. Host a simple BBQ / sausage sizzle with neighbours

It's not too late to organise an event for your street or neighbourhood.

And remember if the 31st of March doesn't suit – find a date that works for you and your neighbours.
