Parent / Teacher Interviews:

The term is quickly drawing to a close and Parent/Teacher Interviews have been scheduled for the last couple of days of this term. These interviews are meant to give you feedback on how your child is settling into their new class and year level. Even though you may be very happy with your child and their progress, it is still worth meeting with the teacher for their feedback. It may well be that you have a few question too so take this opportunity to meet with them. Should you require a more comprehensive meeting make sure to book another time for early Term 2. Thank you to you all for booking times to connect with your child's teacher.

Year 6 Camp:

This week the Year 6 students have been on camp at Hamilton Downs. This camp is designed for the students to have the opportunity to learn, know and grow and in particular to highlight their skills in and potential for leadership. We look forward to their safe return this afternoon and to their many stories.

Winter Uniforms:

In the last week we have seen the cooler days and nights draw in. This is a reminder to parents that the rugby jumper and vest are the official winter uniform additions, that can be worn over the top of the polo shirt or dress. Track pants are available from the uniform shop as well as the parka which is worn as an outer garment, outdoors only. All the winter items can be purchased from the Uniform Shop.

Parents please remember that the Track Top with the zip front is no longer part of the school uniform. **Please ensure that all items are LABELLED with your child's name.**

From the Spiritual Coordinator

This week our leaders and role models of the school are doing their leadership camp at Hamilton Downs. One of the things they will be reflecting on is Psalm 139. It is a wonderful reminder for them as they prepare themselves for high school that they are fearfully and wonderfully made and so deeply loved by their Father God.

God, investigate my life; get all the facts firsthand.

I'm an open book to you; even from a distance, you know what I'm thinking.

You know when I leave and when I get back; I'm never out of your sight.

You know everything I'm going to say before I start the first sentence.

I look behind me and you're there, then up ahead and you're there, too — your reassuring presence, coming and going.

This is too much, too wonderful — I can't take it all in!

Is there any place I can go to avoid your Spirit? o be out of your sight?

If I climb to the sky, you're there! If I go underground, you're there!

If I flew on morning's wings to the far western horizon,

You'd find me in a minute — you're already there waiting!

Then I said to myself, "Oh, he even sees me in the dark!"

At night I'm immersed in the light!"

It's a fact: darkness isn't dark to you; night and day, darkness and light, they're all the same to you.

God bless

Miss Dell'Antonio

Easter Bonnet Parade

On **Tuesday April 9th**, Week 11, we will be having an Easter Bonnet Parade. We would like to see Easter Bonnets made from recycled materials. The reason we are encouraging the use of recycled materials is because our school is very environmentally friendly. All students will make their own Easter Bonnet to show everyone at the parade.

Celebrate Your Community and Host a Neighbour Day Event

Neighbour Day is Australia's annual celebration of community, bringing together the people next door or across the street for a get together.

It is the perfect day to say thanks for being a great neighbour and being there when needed.

The Neighbour Day movement promotes the benefits of getting to know your neighbours building healthy, resilient communities as well as tolerance, respect and understanding.

Neighbour Day encourages all Australians to do what they can to reach out to people in their neighbourhoods, particularly those who may live alone.

Relationships Australia is encouraging all people and groups across Central Australia to promote the message of being a good neighbour – and to consider what they might be able to do to connect with those around them.

5 Ideas to Celebrate Your Community

1. Have a cup of tea or a chat with a new (or old!) neighbour
2. Leave a Neighbour Day calling card and your contact details for elderly or vulnerable neighbours
3. Enjoy a neighbourhood picnic in your favourite park
4. Plan a 'bring a plate' street party
5. Host a simple BBQ / sausage sizzle with neighbours

It's not too late to organise an event for your street or neighbourhood. And remember if the 31st of March doesn't suit – find a date that works for you and your neighbours.
